

Online Access Helps East Dubuque High School Parents Keep up with Students' Progress

Parents can now access information about their student's respective grades, class attendance, course schedule, discipline records, graduation requirements, and demographics. Additional features such as standardized test scores and assignments may be added later.

In order to view the information, you must login with the student's ID number and password. Each student will have one password for all of his or her classes. If a computer with Internet access is not available, you may use a computer at the school or public library during normal business hours to access this information.

Here is the process you should follow to login and view your student's progress.

- Step 1 Go to the East Dubuque School District website at: <http://www.edbqhs.org>
- Step 2 Click on the **High School** link at the top of the page
- Step 3 Click on the **STI Home Plus** link
- Step 4 Click on the **Student Services** link
- Step 5 You will be asked for a **Student ID** and a **Password**. This confidential information is included with this mailing.
- Step 6 You will then view a page similar to the one below which enables you to access information regarding your student. Your student's name should appear in the upper right hand corner of the screen. On the left side of the screen in the blue margin, there are seven areas of information that parents may click on to access – Schedule, School Calendar, Demographics, Discipline, Attendance, Grades, and Graduation Requirements.

The screenshot shows a web browser window titled "Schedule - BlackHawk Internet". The address bar shows the URL: <http://12.227.183.58/homeplus/Schedule/Schedule.aspx>. The page content is for East Dubuque High School and displays a student's schedule for the 1st Nine Weeks. The student's name is partially visible as "12345 student Name".

Schedule

A couple of notes regarding the seven areas of accessible information:

1. **School Calendar** – This will only indicate days that we do not have school. It will not indicate early dismissals, scheduled activities, etc. We will continue to mail an activity calendar to your home at the beginning of each month.
2. **Grades** – To view your student's grades, you will need to use the drop down menu on the **Grades** screen and change 1st or 3rd Nine Weeks to either 1st or 2nd Semester. These continuous semester grades will be updated by Tuesday of each week.

East Dubuque High School will continue to provide paper progress reports and report cards. The purpose of being able to access student information online is to add one more means for the school to provide communication among teachers, students and parents. If you have any questions, please feel free to call the high school at 815-747-3188.
